The Forum will take place on 11 May 2016 at the Conference Centre of Hotel Essener Hof, Am Handelshof 5 in Essen, just 100 meters from the main train station <http://www.essener-hof.com/en>.

The theme for the Forum will be “Customer Experience”. There will be presentations from the whole philatelic trade. The details to the program will be circulated very soon and it will be also available on <http://www.posteurop.org/SP>.

If you would like to stay at the same hotel as the Forum, please be aware that we have agreed to block rooms at the Essener Hof until 11 February 2016. The rate per night is 125€ for a single room and 150€ for a double room. You are naturally free to choose your preferred hotel.

2. Think Green 2016

As mentioned in previous Newsletters, and for those who have not been able to do it, please send the final image (and sheetlet) of your Think Green Stamp to the Chair of the Stamp & Philately WG, Mrs. Anita Häggblom, e-mail anita.haggblom@posten.ax, before printing your Think Green stamp, and preferably before 31 March 2016. This way, we would be able to include it in our promotional activities planned for the 2nd quarter of 2016.
